CD-LPN/LVN Eligibility Criteria. 6
CD-LPN/LVN Contact Hour Certificates. 6
CD-LPN/LVN Recertification Application Instructions 9 - 14

Introduction

To qualify for recertification, a Certified Dialysis Licensed Practical Nurse/Licensed Vocational Nurse (CD-LPN/LVN) must meet the eligibility requirements set forth by the NNCC. To avoid a late fee the appropriate recertification application (contained in this booklet) must be post-marked by the last day of the month in which the certificant's certification expires.

Certification is effective for three (3) years from the first day of the month in which the certificant passed the examination. Certification must be renewed every three (3) years. The CD-LPN/LVN is a national credential that used in all professional activities and correspondence.

You must meet the recertification requirements:

Continuing education and clinical experience:

This booklet contains the forms and instructions to recertify by continuing education and clinical experience. To determine eligibility requirements to recertify as a CD-LPN/LVN, please refer to the eligibility requirements on page 9 of this booklet.

Verification of Recertification

If approved for recertification, individuals will receive a wallet card with expiration date within sixty (60) days of the date the National Office receives a recertification application. Replacement wallet cards and/or wall certificates are available for a fee. Verification of valid certification credentials can be made through the NNCC Certified Directory at www.nncc-exam.org.

Current Address

It is the certified nurse's responsibility to notify the NNCC National Office of any changes in name or e-mail address.

Inactive Status

A certified nurse may request inactive status if he/she is unable to meet the requirements for recertification. To apply for inactive status, the certificant must complete the application for inactive status (page 23 of this booklet) and submit a letter describing the reason. If approved, inactive status will be granted for one three (3) year period. During this time, the CD-LPN/LVN credential may not be used. In order to recertify after the three (3) year inactive period, the criteria for regular recertification must be met during the inactive status period, and a recertification application must be submitted. Under no circumstance will the inactive period be extended beyond three (3) years.

Emeritus Status

Nurses who have maintained an active credential, who are over 50 years of age, and who have retired from active practice may apply for emeritus status. To apply for the retired credential the certificant must complete the application for Emeritus Status (page 27 of this booklet) and submit a fee. If approved, the certificant may use the emeritus credential at nephrology nursing functions to acknowledge a previous active credential and the accomplishments it signifies. If the certificant chooses to return to active practice and wishes to again hold the active credential, he/she must meet current eligibility criteria and certify by examination.

Fee Schedule

Recertification application fees are non-refundable. Periodically fees are reevaluated and adjustments may be made. Only NNCC commissioners can authorize fee changes. To avoid a late fee, the recertification application must be postmarked by the last day of the month in which certification expires. For an additional fee a certificant may submit a recertification application after the certification expiration date, provided all eligibility criteria are met during the certification period. If an application is received less than thirty (30) days prior to expiration, it will be processed in the order received unless an expedited review is requested and an additional of \$50.00 fee is included with the application.

Continuing Education Approvers and Providers

It is recommended but not required that continuing education be approved by one of the following:

- Organizations accredited by the American Nurses' Credentialing Center — Commission on Accreditation (ANCC-COA), the credentialing body of the American Nurses' Association
 - For example, The American Nephrology Nurses' Association (ANNA), which is both an accredited provider and approver of continuing education in nursing
- The American Association of Critical-Care Nurses (AACN)
- The Council of Continuing Education
- All State Boards of Nursing*

*** Please be aware that although programs meet requirements set forth by other state boards of nursing, they may not meet the Nephrology Nursing Certification Commission criteria.**

Acceptable Continuing Education

Nephrology Presentations

Certified nurses who present nephrology programs that are awarded continuing education credit will receive credit for the number of contact hours awarded for the presentation.

Academic credit

Includes all course work in academic programs leading to a health/science degree. It is not necessary that the course content be nephrology nursing concepts. Five (5) contact hours will be assigned for one (1) semester credit. Three (3) contact hours will be assigned for one (1) quarter credit.

Independent study

These programs include continuing education designed for independent study such as journal articles or website articles. Credit will be given according to the number of contact hours awarded to each offering.

Please retain all contact hour certificates in your personal files.

If using academic credit, please be prepared to provide an official transcript.

Denial/Revocation of Certification

The occurrence of any of the following actions will result in the denial, suspension, or revocation of the certification:

- Falsification of the NNCC application
- Falsification of any materials or information requested by the NNCC
- Any restrictions such as revocation, suspension, probation, or other sanctions of professional LPN/LVN license by a nursing authority
- Misrepresentation of certification status
- Cheating on the examination
- Applicable state and/or federal sanctions brought against the certificant
- Failure to meet continuing education criteria
- Failure to meet work experience requirements

The NNCC reserves the right to investigate all suspected/reported violations and, if appropriate, notify the certificant's employer/State Board of Nursing.

The certificant will be notified in writing of NNCC's decision(s)/action(s).

Includes all course work leading to a health/science degree. It is not necessary that the course content be nephrology nursing concepts. Five (5) contact hours will be assigned for one (1) semester credit. Three (3) contact hours will be assigned for one (1) quarter credit.

Appeal Process

A certificant who has been denied certification or had a certification credential revoked has the right of appeal. This appeal must be submitted in writing to the President of NNCC within thirty (30) days of notification. The appeal shall state specific reasons why the individual feels entitled to certification. At the individual's request, the President shall appoint a committee of three (3) NNCC Commissioners who will meet with the individual and make recommendations to the NNCC. The committee will meet in conjunction with a regularly scheduled NNCC Board of Commissioners meeting. The individual will be responsible for their own expenses. The final decision of the NNCC will be communicated in writing to the individual within thirty (30) days following the NNCC meeting. Failure of the individual to request an appeal or appear before the committee shall constitute a waiver of the individual's right of appeal.

Letters of appeal should be sent to the President at the NNCC National Office:

NNCC
PO Box 56
Pitman, NJ 08071-0056

Commonly Asked Questions

- Q: I was able to meet the requirements for recertification but failed to submit my application by my expiration date. Can I still recertify?**
- A:** Yes, as long as the requirements for recertification were fulfilled before your expiration date, your application may be submitted late with a late fee.
- Q: I attended a nephrology program that offered continuing medical education (CME) credit, but not nursing contact hours. Will this meet the criteria for recertification?**
- A:** No, the contact hour certificate **must state** that the program is continuing education **in nursing**. These programs must award contact hours accredited through one of NNCC's approved accrediting bodies.
- Q: Do all nephrology nursing contact hours have to be awarded by ANNA?**
- A:** No, however, ANNA is an excellent resource for nephrology nursing educational programs. Other nursing groups such as NKF and ASN also provide quality programs. Programs approved for contact hours by any of the accrediting bodies listed on page 4 of this booklet are acceptable.
- Q: I sat for the certification exam on the 15th of the month and attended a continuing education program over the next three (3) days. Now that I have passed the exam, will I be able to use the approved contact hours from that program for recertification?**
- A:** Yes, approved programs attended within the same month the exam was taken will be accepted for the first recertification period following initial certification.
- Q: I submitted my recertification application in April and my certification expires in June. In May I attended an educational program awarding nursing contact hours. Can I use those contact hours for my next recertification cycle in three (3) years?**
- A:** No, contact hours earned during the period of your certification can be used only during the current recertification period.
- Q: What will happen if I am unable to meet the continuing education requirements for recertification?**
- A:** In an effort to retain your credential, you may apply for inactive status. See pages 19-20 of this booklet for information on inactive status.

CD-LPN/LVN U.S. Eligibility Criteria

1. Certificant must be a licensed practical nurse/licensed vocational nurse holding a current, full and unrestricted license in the United States or its territories and hold the credential of CD-LPN/LVN.
2. Certificant must have at least 1500 hours experience within the previous three years as a licensed practical-vocational nurse practicing in the specialty of nephrology nursing and caring for patients who require or may require dialysis, or educating/supervising staff who care for patients who require or may require dialysis.
 - Certificants pursuing a baccalaureate degree in nursing and wishing to waive the work requirement must verify full time student status. Documentation must be on letterhead, signed by a school official, verifying matriculation and must be submitted with the recertification application. This waiver may be approved for only one recertification period.
3. Continuing education must include thirty (30) hours of approved education credits earned within the three (3) year certification period. A minimum of ten (10) contact hours must be nephrology specific (see page 3).
 - If enrolled in a health/science degree program, all coursework required for the degree can be applied toward the contact hour requirement.

All continuing education and defined clinical experience requirements must be met in order to recertify as a CD-LPN/LVN. The NNCC does not preapprove continuing education and the NNCC does not maintain a list of approved continuing education offerings.

No individual shall be excluded from the opportunity to participate in the NNCC certification program on the basis of race, ethnicity, national origin, religion, marital status, gender, sexual orientation, gender identity, age or disability.

CD-LPN/LVN Contact Hour Certificates

Contact hour certificates must include the following information to be acceptable for recertification:

- Name of attendee
- Date of program
- Name of program
- Number of contact hours awarded
- Accreditation statement if applicable (see *Continuing Education approved accrediting bodies* on page 4)

Only submit programs where contact hour certificates have been provided and contact hours have been awarded.

It is not necessary to include copies of contact hour certificates with the recertification application, unless you have been notified that you have been selected for a random audit. Keep all certificates for your records and in case any one is requested upon review of your application.

Maintaining Your NNCC Certification

1. You already have an account set up for you in NNCC’s certification platform, powered by Cloud Generation.
2. Log into <https://nncc.hub.cloudgeneration.com/Achievements> using the same credentials you use to log into the NNCC website.

Tracking your continuing education contact hours (Screenshots shown below use the CCHT credential as an example)

3. Throughout your recertification period, enter any contact hours as you earn them. The system will help you keep track of how many you’ve earned, what you still need, and when you need them by.
4. Enter your contact hours by clicking “Add self-reported contact hours”:

- 5.

6. You will be presented with a form to complete.

Add Self-Reported Contact Hours

Applying for recertification

- Six (6) months before your certification is set to expire, you will receive an email notification.
- After receiving this notification, log in ncc.hub.cloudgeneration.com and select “Requirements” from the top navigation.

- Click “View” on the work verification form to download it. Have your supervisor complete and sign it, then return to the site and upload the form by clicking the

“Complete” button.

MY REQUIREMENTS 3 AVAILABLE REQUIREMENTS COMPLETED REQUIREMENTS TRANS

My Requirements

CCHT Employer Verification (Recertification)

The certificant must be a current Certified Clinical Hemodialysis Technician (CCHT). The certificant must have at least 3,000 hours of work experience as a dialysis technician during within the three (3) years of the current certification period. Unless recertifying by examination, the certificant must have acquired 30 contact hours of continuing education credit relevant to the dialysis technician scope of practice in caring for patients who require dialysis in the three (3) years of the current certification period. Any contact hours claimed must be in compliance with the requirements stated in Recertification Options. Please download a copy of the employer verification form and have your supervisor complete in its entirety. Once done, click the 'Complete' button and upload a copy of your form. This must be completed no more than 6 months before your recertification date.

13. Complete the recertification application by clicking the “Begin” button and filling out the short form.

CCHT Recertification Application

BEGIN

14. If your certification qualifies for a member discount, you’ll see an option to complete a form with your membership information.

Professional Membership (ANNA, ASN, NOVA or NFK) (Recertifications)

If you are a current member of one or more of the following organizations, please upload a copy of your membership card.

American Nephrology Nurses Association (ANNA)
American Society of Nephrology (ASN)
Nurses Organization of Veterans Affairs (NOVA)
National Kidney Foundation (NKF)

If you do not belong to one of these organizations, please select the appropriate answer on the attached form.

Due By: Sep 18, 2027

BEGIN

15. Within a few minutes of submitting the above requirements, you'll see options to pay your recertification fee.
16. Choose "Recertification by CE Fee" if you wish to maintain your certification through continuing education.
17. If you haven't submitted any continuing education yet, you'll also see an option for the "Recertification by Exam Fee." Choose this option if you wish to re-take the certification exam to maintain your credential, rather than submitting CEs.
18. If you are recertifying by continuing education, your CE submissions and forms will be reviewed by an NNCC admin. If there are any questions, they will reach out for clarification or additional documentation.
19. If you are recertifying by exam, your forms will be reviewed by an NNCC admin. Once approved, an option to register for the exam will be added to your record and you will be notified via email.
20. Once you have completed these steps and met your continuing education requirement or passed your exam, you will receive a congratulatory email to confirm your successful recertification.

Accessing your credential(s):

21. Return to the certification portal to:

a. Add your certification to your LinkedIn profile:

b. Copy and share your personal certification profile link:

c. Download your new recertification date to your calendar:

22. Your credential will also be available in the NNCC directory, found by going to:

<https://go.nncc-exam.org/s/certified-directory>.
